The Chef & the Gardener is a restaurant that believes dining out should be an enjoyable & exciting experience for everyone...no matter how they choose to eat. We make all of our menu items from scratch. In so doing we can assure those with allergies or dietary restrictions that they are not consuming any problem foods. Thru our restaurant and our "healthy cuisine to go" you can dine out at home with delicious, creative dishes. We can even work with you to develop dishes that are specific to your needs.

## **Services & features available:**
